

20 September 1968

MORNING MEETING ACTION ITEM

TO: DD/ONE

DDCI led a discussion on the issue of whether it is not anachronistic to continue the order of Soviet Estimates in such a manner that the Estimate on main trends in Soviet military policy precedes rather than follows upon the individual Estimates dealing with specific military issues. The Director asked [ ] to ensure that ONE utilizes the period of transition of Administrations to review this matter as well as other Estimates for possible alterations in scheduling and approaches.
